To Whom It May Concern,

My letter is in support of Michael Brogan who I have known since he was born. My husband and I have been neighbors with the Brogan family for 52 years.

We have watched Michael grow up and develop into a very caring, considerate and respectful young man. His Father passed away several years ago leaving him with the responsibility of caring for his elderly Mother who is very ill and his older Autistic brother. He works very long hours to support his family.

My husband and I are elderly and Michael does many thoughtful things for us personally and especially around our property. It is very comforting knowing that Michael is always there for us and checks on us periodically.

My husband and I are praying that Michael will be given leniency.

Respectfully,

[REDACTED]

To whom it may concern:

Permit me to write on behalf of Michael Brogan who resides at [REDACTED], Brooklyn, NY [REDACTED], which is within the boundaries of Good Shepherd Parish. Michael is a lifelong registered member of the Parish.

I spoke with Michael in January 2019 and I am aware of the situation that he finds himself in and when I spoke with him, he acknowledged the seriousness of the charge brought against him. He is remorseful over what he had done.

Michael has been very active in the issues of the Right to Life and in the heat of the moment he reacted in an inappropriate way.

Whatever consideration that can be offered to Mr. Brogan would be greatly appreciated.

I am

Sincerely yours, [REDACTED]
